

American Heart Association Heartsaver CPR AED Training

Get Certified and Save a Life!

CPR and AED certification is a must for everyone. Whether you are a babysitter, grandparent, family caregiver or just want to be prepared for an emergency, CPR AED training is for you!

TheraCORE now offers American Heart Association Heartsaver CPR AED training. This course is a 2 part blended learning course. The first part is completed online and the second part is done as an in-person skills test.

The course covers:

Adult CPR and AED Use

Adult Choking

Child CPR and AED

Infant CPR

Child Choking

Infant Choking

To Register: Contact TheraCORE at 630-590-5409

Course Fee: \$45

Dates of skills test: June 5th 6-7pm TheraCORE Lockport

September 6th 6-7pm TheraCORE Westmont

December 7th 6-7pm TheraCORE Burr Ridge

After successful completion of both online and skills test, students will receive a two-year certification from the American Heart Association.
