

**American
Heart
Association®**

life is why™

HEARTSAVER CPR AED

Course description

This course, offered through the American Heart Association, is a 2-part blended learning course. The first part is completed online and the second part is done as an in-person skills test. The course covers Adult CPR & AED, choking, Child CPR & AED and Infant CPR.

Course Cost: \$50

Skills tests are scheduled throughout the year at all three locations

Register: 630.590.5409

Large groups (6 or more) can schedule an in-person training course by emailing theracore@theracorept.com or by calling 630-590-5409. Days and times are flexible to meet your schedule.

BLS or First Aid certification also available upon request
